

RiCORE Academic Journal Articles (Deliverable 6.6)

PROJECT COORDINATOR

Prof. David Gray, Robert Gordon University, Aberdeen, Scotland

TASK LEADER

Prof. David Gray, Robert Gordon University, Aberdeen, Scotland

AUTHORS

Andy Grinnall (RGU), Lyndsay Bloice (RGU)

SUBMISSION DATE

30 | June | 2016

Citation

Grinnall, A., Bloice, L. (2016) RiCORE Academic Journal Articles. Deliverable 6.6, RiCORE Project. 3 pp.

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 646436.

A number of academic journal articles are in development on various aspects of the project. The table below lists the proposed authors, article titles, journals to be considered for submission and the approximated date that the lead author anticipates submission of the article.

Authors	Title	Journal(s)	Anticipated submission
Ian Broadbent (RGU), Teresa Simas (WavEC), Ross Culloch (UCC), Anne Marie O'Hagan (UCC), Finlay Bennet (MS), David Gray (RGU)	A risk-based approach to offshore renewable energy consenting – is it SAFE?	Energy Policy Marine Policy	December 2016
Caroline Nixon (RGU), Ian Broadbent (RGU)	Review of the decision to refuse consent for Docking Shoal offshore wind farm.	European Energy and Environmental Law Review Environment and Planning A Journal of Environmental Management Journal for European Environmental and Planning Law	December 2016
Caroline Nixon (RGU), Ian Broadbent (RGU)	Review of the decision to refuse consent for Navitus Bay offshore wind farm.	European Energy and Environmental Law Review Environment and Planning A Journal of Environmental Management Journal for European Environmental and Planning Law	December 2016
Finlay Bennet (MS), Ross Culloch (UCC), Anne Marie O'Hagan (UCC)	Can adaptive management deliver for offshore renewable energy and Natura protection: the dilemma of reducing scientific uncertainty or reducing potential impact?	Marine Policy	During 2017

Authors	Title	Journal(s)	Anticipated submission
Lyndsay Bloice (RGU), Simon Burnett (RGU), David Gray (RGU), Andy Grinnall (RGU)	Knowledge barriers in offshore renewable energy consenting	Renewable & Sustainable Energy Reviews Smart Grid and Renewable Energy BIOINFO Renewable and Sustainable Energy Energy Reports Journal of Renewable Energy International Journal of Renewable Energy International Journal of Renewable Energy Technology Renewables: Wind, Water, and Solar	December 2016
